Guidelines for Access to Campus Constituents as Survey Respondents

1. Institutional Research and Analysis (IRA) acts as reviewer and occasional administrator of surveys of campus constituents (<http://www.du.edu/ir/surveys/reviews.htm>). All surveys of campus constituents must be reviewed and scheduled through IRA, except:
 - Event registration (contact Lesley Thompson, Modules Administrator at lesley.thompson@du.edu)
 - Faculty surveys of students in their classes/program for purposes of academic assessment (contact Rob Flaherty, Director of Academic Assessment at rob.flaherty@du.edu)

As part of the review process, IRA will provide text for inclusion in the survey's introduction indicating that it is approved for University administration.
