

# Retirement Plan Participation Waiver of Service

Employees who worked at least 12 consecutive months in a retirement benefit position at the University of Denver are eligible for the Match Feature immediately with a contribution of 4% or more.

You may waive the Retirement Plan's one-year of service worked if your previous employer is a qualified educational institution and you were retirement benefit eligible under your previous employer's retirement savings plan.

A qualified Waiver of Service is effective for the payroll following completion, submission and approval of this form with a minimum contribution of 4% or more.
